Byberg Preaching Workshop 2007

Developing skills of ELCA preachers.

The Word at the Crossings

January 15-17, 2007

Cannon Beach Christian Conference Center, Oregon Coast

How do we preach and teach in a pluralistic environment? **The Rev. Eric H.F. Law** maintains that *how* you preach matters as much as *what* you preach. Eric will guide Byberg workshop participants through a practical and spiritual journey to clarify this pattern of preaching that seeks alignment with God and models competent leadership in a diverse, changing world.

Public service announcement: Walter Brueggemann has told us that he will not be available for Byberg again. But he is speaking in Portland October 13-14, 2006, at Trinity Episcopal Cathedral, 503-478-1218, www.center-for-spiritual-development.org.
